Happy Mother's Day

Would you say a prayer this Mother's Day? Each of us have different stories. Please remember all those who not only celebrate on this day, but those who find this day difficult.

- To those who gave birth — we celebrate with you!
- To those who are in the trenches with little ones every day and wear the badge of food stains – we appreciate you!
- To those who lost a child during pregnancy, childhood or adulthood – we mourn with you!
- To those who experienced loss through miscarriage, failed adoptions, or long for more children—we are here for you!
- To those who walk the hard path of infertility, fraught with pokes, prods, tears, and disappointment – we walk with you!
- To those who are foster moms, mentor moms, and spiritual moms – we need you!
- To those who have warm and close relationships with your children – we are happy for you!
- To those who have strained relationships with your mother or child – we pray for you!
- To those who lost their mothers and miss them – we grieve with you!
- To those who experienced abuse at the hands of their mother – we acknowledge you!
- To those who live through medical tests, unknown outcomes, and the aging process with your mom – we are better for having you in our midst!
- To those who have aborted children – we remember them and you on this day!
- To those who are single and long to be married and mothering your own children – we mourn that life has not turned out the way you hoped it to be or wait with you until the day comes!
- To those who step-mom – we walk with you on these complex paths!
- To those who envisioned lavishing loving grandchildren – yet that dream is not to be, we remember you!
- To those who will have emptier nests in the upcoming year – we grieve and rejoice with you!
- To those who placed children up for adoption — we commend you for your selflessness and remember how you hold that child in your heart!
- To those who are pregnant with new life, both expected or a surprise – we anticipate with you!

This Mother's Day, we walk with you. Mothering is not for the faint of heart and we have real warriors in our midst. We love you and remember you!.
