Word Released Last Sunday

Do you know that when you enter into the secret place you enter into eternity and eternity is a place without limitations. When you enter into this place you allow yourself to tap in and receive all that I Am. This is a place of omnipotence, omniscience and omnipresence. I have invited you through my Word and my Spirit to come dwell with Me, The secret place. If you will allow Me to open the eyes of your understanding by my Spirit I will show you the great wonders of this eternal realm of Glory. Don't try to receive this in your mind, but ask Me to broaden the understanding of your spirit man. I Am waiting for you to ask Me. Eternity is a happening place with the excitement of my power bouncing all around like electricity, just waiting to be released in you. I Am a river, a powerful current that must keep moving. When one of you reaches out and touches another by faith the current of My power leaps to the next link and on and on My river goes. There is so much I want to show you, to teach you about the secret place, the eternal realm of glory. I give you a special invitation this day to come dwell with Me. To dwell is to live, not just visit. To abide continually in a place of eternal grace and power.
